SALES MANUAL & DISTRIBUTION STRATEGY

==========

1. SALES MISSION & B2B TARGET CHANNELS

Our field sales teams operate across three core multi-tiered distribution channels:

* Tier 1: Bulk Direct Exports (International apparel brands, fashion houses, and retail groups)

* Tier 2: Domestic Wholesale Network (Primary operations routed through the Millennium Textile Market branch in Surat to regional sub-wholesalers across India)

* Tier 3: Direct Corporate Contracts (Large Indian retail chains purchasing unstitched and ready-to-wear lines)

2. REVENUE CYCLE & TRADE TERMS

* Minimum Order Quantities (MOQ):

- Custom Digital Printed Fabric: 500 Meters per design.

- Standard Wholesale Fabric Rolls: 1,000 Meters total (Assorted designs allowed).

- Stitched Ensembles/Sarees: 50 Pieces minimum per order category.

* Credit Terms:

- New Client Onboarding: First 3 transactions require 100% advance payment via Proforma Invoice.

- Established Accounts: Subject to credit verification, moving to maximum Net-30 accounts.

- Early Payment Discount: 1.5% deduction allowed if payment clears within 7 business days of delivery.

3. LOGISTICS & TIME COMMITMENTS

* Standard Order-to-Gate Lead Time: 7 to 10 business days from signed strike-off authorization.

* Delivery Basis: All local transport dispatches operate on an Ex-Warehouse (Surat) basis unless alternative arrangements are specifically approved by the Sales Director.

4. RETURN AND CLAIM HANDLING

* Discrepancies regarding color matching, pattern flaws, or quantity shortages must be filed in writing with the sales rep within 14 calendar days of goods receipt.

* No claims or returns will be entertained or credited once the fabric has been cut or altered.
